Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Monday 06 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and gradually brightening up.

Today:
A cloudy start but dry, Skies slowly becoming brighter with a few sunny intervals developing. the best of the sunshine towards the east coast. Quite warm. Maximum temperature 21 deg C (70 deg F).

Tonight:
A dry evening and night with variable cloud and some clear intervals. Some longer clear spells later tonight but fog patches forming, perhaps becoming widespread in east. Minimum temperature 13 deg C (55 deg F).

Tuesday:
Low cloud and mist burning back to Irish Sea coasts where some may linger, otherwise a fine dry day with long sunny spells. Becoming very warm. Maximum temperature 25 deg C (77 deg F).

Outlook for Wednesday to Friday:
Mostly dry with some bright or sunny spells on Wednesday, some showers possible. Some heavy, thundery showers around on Thursday. Cooler and cloudier on Friday with some patchy light rain.
